## BRAD LAUX

Assistant Sports Information  
Director

**Brad Laux** is in his fourth year as MSU's assistant sports information director and 11th overall in the field. He will serve as the contact for several sports, including women's volleyball, soccer, basketball and softball.

Prior to arriving at MSU, Laux, a native of Springfield, Va., spent three years as a graduate assistant at Tennessee and three years as an intern at George Mason. He received his master's from UT in sports administration in 1998. He also worked at UNC Greensboro, where he graduated in 1992 with a bachelor's degree in public relations, and for the U.S. Taekwondo Union at the U.S. Olympic Training Center in Colorado Springs, Colo.

His experiences include serving in SID capacities at the 1994 World Cup and the 1996 Olympic Games. He and his wife, Ginny, reside in Clearfield, Ky.

## ON THE COVER

MSU's two seniors, Amy Fox and Stephanie Swanger, will look to mold six returnees and 12 newcomers into a cohesive group, and lead the Eagles to success in their final season in the Blue and Gold.

# Head Coach Jennifer VanSickle

\*\*\*1999 OVC Coach of the Year\*\*\*

With almost a completely new roster, ninth-year head coach Jennifer VanSickle looks to return the Eagles to among the top teams in the Ohio Valley Conference. Although coming off a disappointing 13-29 campaign, VanSickle owns a 144-244-1 career record, but is the winningest and longest-tenured coach in MSU's fast-pitch history.

In addition, she is the only Eagle mentor to earn OVC Coach of the Year honors, claiming the honor in 1999. That season, VanSickle guided the Eagles to a 27-18 overall record, their third-best ever, and a third-place OVC finish with a 16-5 mark.

She became the only MSU softball coach to win 100 games, when she

reached that milestone on April 11, 1999, with a 9-1 pounding of Tennessee-Martin. For her career, VanSickle owns an 81-107 conference mark.

The only coach the school has ever known since it joined the Ohio Valley Conference, VanSickle has been a pioneer for the program. In her seven previous campaigns, VanSickle has seen the change from slow-pitch softball to fast pitch in Kentucky high schools and its rapid growth on all youth levels. With a foundation set for continued development of all high school and youth-league softball, VanSickle is now seeing the direct effects on the talent which has infused her program.

Helping to play an active role in the development of the sport in the state, VanSickle has been actively involved in many facets and levels of promoting softball, through clinics, camps and workshops. Her dedication and determination has helped pave the way for the sport's growth in Eastern Kentucky.

As the first full-time softball coach at Morehead State, VanSickle joined the Eagle program in 1994. MSU played its first fast-pitch campaign in 1989, but when VanSickle signed on, she helped usher in the era of Ohio Valley Conference competition, which also began in 1994.

VanSickle has been associated with many firsts of the program. She was at the helm when the Eagles had their first player named to the inaugural All-OVC first team, Jodi McMackin, in 1994. Sixteen players in VanSickle's reign have been named 24 times either to the first, second or honorable mention all-conference teams.

She has also presided over several upgrades to the softball field, including the development of dugouts, and the additions of an electronic scoreboard, a tarp, a fence wind-screen and a flag pole. This past year more upgrades included a netted backfield fence with a cement base, permanent bleachers, a permanent sound system, the leveling of the outfield and the installation of a new batting cage.

Another area where VanSickle has been influential is in academics. The program has always been noted for posting high academic credentials, and four times during VanSickle's tenure, MSU squads ranked among the nation's top 25 teams in grade point average.

In addition, she was the team's mentor when Shannon O'Toole was named as a GTE Academic All-American in 1995. Since VanSickle took over as MSU's head coach, six Eagles have been recognized as academic all-district selections 11 times. In addition, softball's national coaches' association, the NFCA, has recognized 18 Eagles as Scholar-Athletes 25 times, including an impressive 11 individuals last year. Recent graduate Dana Fohl became the first-ever OVC Scholar Athlete, while five Eagles have earned the prestigious OVC Medal of Honor, including four in the last three years. Thirty two softball student-athletes have been named 63 times to the OVC Commissioner's Honor Roll, with a school-record 11 in 2001.

VanSickle started at MSU as a graduate assistant coach with the women's basketball team during the 1993-94 season, while also serving as the head softball coach that spring. During her only campaign on the hardwood, the Lady Eagles posted a 5-22 mark.

Her career started when she began the program as the head softball coach, and assistant girl's varsity and head junior varsity basketball coach, at her alma mater, Lawrence County High School in Louisa, Ky. VanSickle then left to direct the softball program, while also piloting the girl's basketball team, at Nicholls High School in Nicholls, Ga., from 1988-90. She returned to LCHS for her second stint as head softball coach from 1990-93.

During her time in the dugout at Lawrence County, the Bulldogs compiled a 49-35 overall record and posted its best-ever mark in 1993. She was at the helm when the team won the district title and finished as the region runner-up, both firsts for the program. One of her student-athletes advanced onward with her career and played in college.

Although she attended Union College on a basketball scholarship, VanSickle made her mark as a two-sport athlete. A three-year starter in the outfield on the softball team, VanSickle was selected all-conference in her final year. She also helped the Bulldogs win the conference tournament that same season.

As a basketball player, VanSickle started four years and was chosen the team's Freshman of the Year. It was one of many team awards she won for both sports. Union won the conference tournament her sophomore year.

After completing her college career, she toured two summers playing basketball with Athletes In Action and traveled to such destinations as Fiji, Brazil, the Philippines and Peru.

Aside from her coaching duties, VanSickle is a member of the National Fastpitch Coaches Association and has been the faculty sponsor for the University's Fellowship of Christian Athletes chapter for the past eight years. In 1995, she was named FCA College Coach of the Year, having earned the award for High School Coach of the Year in 1993. She also remains active as a volunteer with Habitat For Humanity.

The Louisa, Ky., native graduated from Union College in 1987, boasting a perfect 4.0 grade-point-average. She received her master's degree from Morehead State in Health, P.E. and Recreation in 1994.

## Heidi Freitager

A four-year standout catcher from Northern Iowa, Heidi Freitager joins the MSU staff this season and will serve as the Eagles' pitching and catching coach. As a senior at UNI, Freitager was a team captain, started 51 games, collected 11 RBI and had a .989 fielding percentage. Her best season offensively came as a sophomore, when she hit .231 with eight RBI.

The Panthers won the Missouri Valley Conference regular-season title her junior year and were the runners-up in the league tournament her first two seasons. She was the team's primary starting catcher for three seasons, splitting the duties as a freshman, which earned her MVC All-Rookie Team honors.

An outstanding student, Freitager graduated Magna Cum Laude with a degree in science and a minor in coaching. She was on the Dean's List and received the Coaches' and Athletic Director's Awards for Academics all four years.

An outstanding high school player, Freitager graduated from Irondale High School after earning a slew of all-state, all-metro, all-region and all-conference accolades. The Mounds View, Minn., native also was a High School Heisman national nominee. A four-year starter at either catcher or shortstop, she finished her career with a .476 batting average. She also lettered in basketball and tennis before graduating as the school's valedictorian.

Freitager has extensive ASA experience. In 2000, she was a member of the 23U national runner-up Minnesota Breakers. From 1997 to 1999, she coached the Minnesota Pacers 18U team. She also played for the Minnesota Breakers Women's Majors/Class A team, the Minnesota Pacers 19U, Esko Ice 18U ASA Gold and Irondale 18U ASA teams.

At Morehead State, she is pursuing her master's degree in sports administration.

## Jill Karwoski

A standout player for 2001 NCAA Division II national runner-up Lewis University, Jill Karwoski brings a wealth of experience in her first season with the Eagles, where she will serve as the hitting and infield coach.

As a senior at Lewis, Karwoski started 67 games either at first base or designated player and was the lone team member to play in all 68 contests. She led the team in batting average at .335, hits at 68, RBI at 48, doubles at 16, total bases at 107, slugging percentage at .527 and on base percentage at .376. She also added seven home runs, 30 runs scored a .986 fielding percentage and only 12 strikeouts in 224 plate appearances,

en route to regional and conference second-team honors. In addition, she was named to the regional all-tournament team.

She started the entire postseason at first base and hit .333 with three home runs, three doubles and eight RBI, earning All-NCAA Championship Tournament honors, helping Lewis finish with a 55-13 record.

For her career, she batted .319 with 41 doubles, 19 home runs, scored 96 runs and had 129 RBI, while striking out only 57 times in 649 at bats. Her Lewis teams finished with a 175-57-1 record, winning two conference titles and advancing to the nationals twice.

An outstanding student, Karwoski was a third-team Academic All-American last spring, after earning Academic All-District first-team honors. She also was an Academic All-American as a junior and second-team academic all-district as a sophomore. She also received academic all-conference honors all four years. At Lewis, she was recognized as the Sport and Exercise Department's Senior of the Year and received the Brother David Delahanty Student Athlete Award gold medal three times.

At Lewis, she also earned all-conference honors as a sophomore and all-region accolades as a freshman. She also played basketball for two years, before graduating with her degree in sport management and a minor in coaching.

The Cary, Ill., native was a two-time team MVP, and three-time all-conference and all-area star for Cary-Grove High School. In both her junior and senior years, she hit over .500 for the season.

Karwoski is pursuing her master's degree in sports administration.

VanSickle

# Season Outlook

**Nikki Brock will be key to MSU's offensive and defensive success.**

It is a whole new ball game for the Eagle softball team. MSU returns just six letterwinners from the 2001 team that finished 13-29. The bad news is some of the best players in the history of the program and the cornerstone of the lineup the past four years are gone. The good news is that the best and most highly-touted recruiting class in school history is replacing them. MSU enters the season with the most recruited scholarship players on its roster in school history, and most of them join the team this year, giving ninth-year head coach Jennifer VanSickle reason to be excited about the possibilities.

"We are a step ahead of last year," VanSickle proclaimed. "We have a hard working team which will be able to get it done up and down the lineup, both offensively and defensively. We will not have to rely on just one or two people. This group has the ability to score runs anywhere in the lineup and at any position on the field."

With 12 newcomers on this year's roster, expectations are wide-ranging. VanSickle admitted her team will have to learn to adjust to each other and avoid injuries to reach its goals.

"We will need to win early and gain confidence," she acknowledged. "We have to be able to score all over the lineup. Everyone needs to be able to step up and contribute. The new people will need to adjust to the level of play and we need to stay away from injuries."

Injuries have already crippled the lineup. The top returning player and lone Eagle on last year's All-Ohio Valley Conference First Team, junior pitcher/designated player **Pam Crawford**, begins the year on the sidelines after having "Tommy John" surgery on her non-pitching arm in the fall. VanSickle expects her to redshirt the entire season and return next year.

With Crawford's absence, the bulk of the Eagle attack is likely to be generated by newcomers. However, a pair of juniors should be at the core of VanSickle's lineup. **Nikki Brock** will shift this year from second base to shortstop, while **Alison Queen** is likely to anchor down first base. Brock has the ability, speed, arm strength and quick hands necessary to make the switch, but will be new to the position. Queen also will be in a new role. Primarily used as a hitting specialist last year, she is both a contact and a power hitter, but is solid defensively and has extensive experience at first base.

A pair of fourth-year seniors also return. Outfielders **Stephanie Swanger** and **Amy Fox** are versatile performers with great attitudes and lots of experience. Swanger is better defensively and will likely start in left field. She also is poised to break the school's career stolen base record this spring. With her speed and improved offensive abilities, the left-handed Swanger could be one of the most dangerous players in the lineup.

On the opposite side of the outfield will be Fox. Each year, she has improved both at the plate and in the field. Another left-hander, Fox is a solid contact hitter, who is coming off her best season brimming with confidence. She is experienced in right field and is likely to return to the position this spring.

"The seniors want to be leaders; they want to be successful and they have the willingness to do what it takes," said VanSickle about Swanger and Fox. "They are both positive, hard working and have great attitudes. Being leaders is the biggest role they can play for us this year."

Headlining the newcomers is a quartet of junior college transfers. Leading that group should be center fielder **Toni Orr** and pitcher **Molly Cope**, transfers from Indian Hills Community College in Ottumwa, Iowa. Both put up impressive numbers as they helped lead their team to the junior college nationals last spring. Orr, the first-ever junior college All-American to ever sign with MSU, has a fantastic arm and reads the ball off the bat well. She also is an outstanding batter, who can hit with power. Cope has good command of her pitches and throws hard.

Catcher **Natalee Owens** and outfielder **Jill Sloan** also join MSU this year from the junior college ranks. Owens is one of the team's top power-hitting prospects. A smart player, she has good feet behind the plate and a strong arm. Sloan also has a good arm and is versatile enough to play any of the outfield positions.

"Overall, the newcomers bring in a lot of talent," VanSickle remarked. "They are winners. They know how to win and are driven to continue to do so. Yet, they are still very hard workers, very coachable and want to improve. The junior college transfers also want to be leaders."

Arguably, the team's strengths will be offense and pitching. Throughout the lineup will be players who are capable of hitting the ball and VanSickle will still have players on the bench who can step in to pinch hit.

Depth also extends to the pitching staff. For the first time in VanSickle's tenure, she will have four scholarship hurlers on the roster. Even with Crawford's injury, the Eagles should be formidable. Cope figures to be the team's No. 1 pitcher, but a pair of right-handed freshmen should challenge her. **Stephanie Hernandez** has good movement and a strong work ethic. She should only get better with experience. The Eagles got a bonus with Hernandez, who also is an exceptionally good hitter. **Jacque Jackson** throws a variety of pitches well, particularly the drop ball and curve ball, and has good speed.

"Just because we will not have Pam, there is no need to panic," VanSickle declared. "We still have three solid pitchers, putting us in a position where we have never really been before."

Owens and freshman **Kacy Walker** will share duties behind the plate. Walker has good natural ability, but is a bit raw. She has good feet and quick hands, as well as a solid arm, but needs to refine her technique.

"Staying injury free is the key," noted VanSickle. "Our catchers need to take charge on the field and understand the importance of leadership. They have that potential. Additionally, they are both good at blocking and throwing."

A mix of veterans and newcomers will man the infield positions. At first base and shortstop will be returnees Queen and Brock, respectively, while redshirt freshman **Sara Hacker** should split time with Queen at first base and also be used as a pinch hitter. Hacker has an excellent eye at the plate and communicates well in the infield. She has the potential to be a defensive leader and a power hitter.

Freshman **Michelle McCrady** should fit the bill at third base, but could play just about anywhere on the field. Although McCrady has never played the hot corner, she has good hands and good feet and is handling the adjustment well. Local standout, freshman **Jessie Chin** has been a pleasant surprise and the early season depth chart has her penciled in as the starting second baseman. Although she is still recovering from ACL surgery during her senior year in high school, Chin has good defensive range and is solid in the field.

Among those challenging for spots in the lineup will be sophomore **Brenna Read** and freshman **Erin Foree**. Read could play either in the infield or outfield, but will most likely return to second base, where she spelled Brock last season. She has a strong arm and has improved her batting during the fall. Like Read, Foree could play a multitude of positions. Most likely, she will back up McCrady at third base and also be used as a spot pitcher.

"We are a bit thin in the infield," VanSickle admitted. "We have some ability, but are very young. As a group, they have some experience, but give us a totally new lineup from the last several years. What we need is to have a leader emerge, someone who will pick everyone up if they make a mistake."

In the outfield, the trio of Swanger in left, Orr in center and Sloan in right should be the opening-day lineup. All three bring speed and solid defensive credentials. Fox will platoon in right field, giving VanSickle the option of using the player who does not start as a pinch hitter or runner. Sophomore **Melissa Rice** also may be used as a pinch runner in certain situations and, along with Read, gives VanSickle more outfield options if needed.

"We are solid in the outfield," the Coach asserted. "The strength is not in the ground they can cover, but in their ability to shut down holes. Plus, they all have strong arms."

The team's schedule is once again challenging, with a lot of difficult opponents front-loaded onto the slate. Three early tournaments will test the team's mettle and include powerhouses Tennessee, Virginia, Coastal Carolina and Bowling Green State. After the preseason, the Eagles also will face talented opponents Kentucky, Ohio State, Marshall and Wright State in double-headers. The schedule will not get any easier in April as conference play provides no reprieve. Overall, the Eagles will need to be ready to play every day and be tough from start to finish.

MSU's University Softball Field received a face lift in the offseason and will give the Eagles a comfortable surrounding in which to play. A favorable home schedule, with games evenly divided up throughout the year, including a mid-week contest surrounding each of the team's tournaments, punctuate the first month of the season. Overall, 20 games on 12 dates, including the final seven regular-season outings, will be in Morehead.

"Early on, our schedule will be challenging," VanSickle confessed. "But, we need to be challenged. Success at our early tournaments will help us in the OVCs. It will be the true test of our team."

If all goes well, Morehead State should be able to challenge for a spot in the conference tournament after a one-year absence. Eastern Kentucky and Tennessee Tech figure to be the league's top teams, but it will be a dogfight from there. The six-team OVC Tournament runs from May 3-5, and the Eagles will look to make a strong run for the title.

"Tech and ECU will be among the leaders," the Coach hinted. "But, Tennessee State had a coaching change and there are questions about UT-Martin, Austin Peay and Eastern Illinois. Southeast Missouri will also be tough, but they lost two of their best players."

With so many newcomers on the team, one of the biggest keys to the team's success will be how quickly the squad gels.

"Overall, we are definitely quicker than last year," VanSickle summarized. "We are better on the base paths and our range is better. The questions are in our infield. However, we are as good position by position as we have probably ever been."

"As always, we want to win the conference," she continued. "But, our goal is to finish in the top three. By the end of the year, if our new people have adjusted, we should be able to have a chance to make a run at winning the tournament."

# The Ohio Valley Conference

Entering its 54th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

The OVC's proud past dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles (Turkey) Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged Feb. 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958, Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. (In 1961, Murphy earned football all-conference recognition at halfback.) With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

In the late 1970s, women's athletics began somewhat of a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased

opponent. The statement has become a model for others to follow across the nation, answering the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Over the last 53 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and field, and golf.

The OVC has also produced several Olympic athletes, while some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as basketball's Clem Haskins (Western Kentucky) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball players Carlos Rogers (Tennessee State), Popeye Jones (Murray State) and Bubba Wells (Austin Peay), football players Chad Bratzke (Eastern Kentucky), Chris Watson (Eastern Illinois), Marquis Walker (Southeast Missouri) and Brent Alexander (Tennessee State), baseball players Kirk Reuter (Murray State), Kerry Robinson (Southeast Missouri) and Willie Blair (Morehead State) and professional golfer Jeff Sluman (Tennessee Tech).

The playing field isn't the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. The prestigious OVC Academic Achievement Banner is awarded annually to the league school whose athletes produce the highest grade point average when compared to the general student body. Also, six

Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or named to the Commissioner's Honor Roll. Additionally, the Steve Hamilton Sports-

manship Award, in honor of the former Morehead State student-athlete, coach and athletics director, is presented annually to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship.

The OVC sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and indoor and outdoor track and field for men, and basketball, cross country, golf, soccer, softball, tennis, indoor and outdoor track and field, and volleyball for women. The OVC also sponsors the combined men's and women's sport of rifle.

Over the last few years, the league has grown, not only in the number of athletics opportunities it is providing for students, but in terms of the number of institutions in the league. In the early 1990's, the league expanded by two members, adding Southeast Missouri State University and the University of Tennessee at Martin. The league grew again in 1996-97 with the addition of Eastern Illinois University. Other current representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Tennessee State University and Tennessee Technological University. Jacksonville State and Samford join the OVC in 2003, expanding the conference to 11 members for the first time.

Members of the OVC office staff include Dan Beebe, Commissioner; Ron English, Associate Commissioner; Greg Turner, Director of Special Projects; Kim Melcher, Director of Sports Administration/SWA; Ryan Altizer, Director of Communications; Lee Moses, Director of Compliance; Diane Vaughan, Financial Officer; Linda Wesson, Secretary; Keisha Felton, Administrative Intern.

## OVC SPORTSMANSHIP

The Ohio Valley Conference is committed to establishing sportsmanship and developing healthy environments for competition. This conference was lead the way in abolishing the notion that it is desirable to create a "hostile" environment for intercollegiate athletic contests. Instead, we will strive to create "hospitable" environments. We believe that part of the role of education through sports is to teach our youth and our communities to conduct themselves with sportsmanship and respect for opponents.

OVC student-athletes must understand that they are perhaps the most visible representatives of their institutions. Also, their behavior is observed and emulated by many who are younger. OVC student-athletes must honor the responsibilities that accompany the privilege of representing our schools by behaving with dignity and class on and off the field.

Respect for the game in which the student-athlete participates also demands respect for the opponent. Student athletes at OVC institutions are expected to treat opponents with sportsmanship. There can be no tolerance for taunting and baiting of opponents.

The fans attending our games must be reminded by the public address announcer of the expectations of sportsmanship and respect for both opponents. We expect that all fans will act in an appropriate manner and respect the opposition and the officials. We understand that occasionally there are individuals who tend games and abuse the opposition and officials. Those individuals may be dismissed from athletic events.

# 2001 Season In Review

Injuries. The one word which all coaches dread. For MSU head coach Jennifer VanSickle, injuries were a reality of the 2001 campaign. Injuries virtually decimated the Eagles' season. Eighteen of the 20 players who started the season suffered an injury, forcing 12 to miss at least one game.

MSU began the season like it had the last two, with a doubleheader against Northern Kentucky. However, it was the first meeting in Highland Heights, Ky., since 1992. The February 27 date was the earliest start to a season in school history. Both games featured a shutout, the first game went in favor of NKU, 2-0, while the second game went into nine innings and MSU won 3-0 as darkness nearly caused the game to end prematurely. In both games all of the runs were scored in one inning.

**Pam Crawford** earned the game two victory. The sophomore pitcher allowed six hits and one walk, while striking out five in gaining the shutout.

For the second straight year, the Eagles hosted the MSU mini-tournament. Kent State took the opener, 3-0, and then defeated IUPUI, 5-2. The Jaguars pitched a no-hitter and knocked off MSU in game three, 6-1, to end the first day of play. Rains washed away the second day, leaving the Blue and Gold winless at the tournament.

Rain erased four more games, doubleheaders at Marshall and then at home against Wright State. The Marshall twinbill was eventually rescheduled for April 19. The weather problems went away and the Eagles were able to get in their two weekend home series, beginning with West Virginia Tech.

Senior pitcher **Molly Surratt** pitched one of her strongest outings of the year in the opening game against West Virginia Tech. Surratt went the distance and allowed one run and two walks, while matching a school record with nine strikeouts in a 2-1 victory. The Eagles were able to carry their momentum into the next game, as the Blue and Gold run-ruled the visitors, 9-0 in five innings, behind another stellar pitching performance, this time from Crawford, who allowed one hit in the shut out and helped her own cause at the plate with a two-run double.

MSU closed out the weekend with two more impressive performances. First-year program East Tennessee State gave up runs early to the Eagles and paid the price. Crawford had another strong showing in the circle, surrendering one run and six hits in the 2-1 complete-game victory. Crawford and Surratt shared the duties in game two. Surratt went four innings and picked up the win, while Crawford earned the save. Sophomore second baseman **Nikki Brock** hit her first career home run, helping to propel the Eagles to a 7-3 win. The four-game win streak turned out to be their longest of the season.

Another first marked the next stage of MSU's season. A week-long trip to the Capital Classic in Sacramento, Calif., marked the first time the Eagles had traveled west past a state which bordered the Mississippi River. However, Morehead State's six-game jaunt in the Golden State yielded little success for the Blue and Gold, who lost each of the contests and were out-scored against top-flight competition, 30-2. The Eagles dropped pool play games to Louisville, New Mexico, Texas A&M-Corpus Christi and host Sacramento State, and then fell to Purdue and Western Kentucky in the playoffs to finish 15th.

One bright spot on the trip was the play of senior shortstop **Jonti Robinson**, who was making her homecoming. The native of nearby Tracy, Calif., was the lone Eagle chosen to the all-tournament team, after batting .412 at the 15-team event, and extending her career-best hitting streak to nine games.

MSU returned to the road and traveled to Dayton to meet the Flyers. The 13-inning marathon first contest, one of the longest games in school history, featured a pitching duel. Crawford threw all 12.1 innings, before collecting the 2-1 loss, after the game ended on an error at home plate. Offensively, the Eagles were on target. Sophomore designated player **Alison Queen** and junior right fielder **Amy Fox** finished 3-for-5 and 3-for-4 at the plate, respectively. Game two was not as close, Dayton led early and pulled away for the 5-0 win.

On March 24, Austin Peay State came to town to open the Ohio Valley Conference season for the Blue and Gold. In the first game, the Lady Gavs scored once in the second inning and held on for the victory. It was another stellar performance for Crawford, who surrendered three hits and the lone run. The Eagles did not have any more luck in the second game as APSU won it, 4-1. Another loss the next day ended the series with the Eagles winless in the conference. The news did not get any better for the Blue and Gold as Surratt became the third player lost for the season, when a shoulder injury forced her to the sidelines.

The Eagles stepped out of conference and traveled to play Louisville. The two teams matched each other early on in the matinee as MSU scored twice in the first, once in the third, twice in the fourth and then the two crucial runs in the top of the seventh to out-last the Cardinals, 7-6. The offense was generated by senior first baseman **Nola Queen**, who hit a solo home run in the fourth, and freshman center fielder **Shannon Nord**, who was 2-for-2, with two runs scored and a double, triple and stolen base. Junior left fielder **Stephanie Swanger** also aided the cause scoring three of the team's runs.

In her first collegiate start, freshman pitcher **Jami Seaman** struggled early, but settled down to pitch a solid game. However, Louisville earned the split with a 7-0 shutout victory in game two.

Back at home for another OVC series, Morehead State looked to get back in the league race against struggling Tennessee-Martin. The Skyhawks proved to be just what the Eagles needed. Behind a four-RBI performance from Alison Queen, MSU gained a 4-3 game-one victory.

Her sister was the hero of the nightcap. With two outs in the bottom of the seventh inning, Nola Queen hit a two-run, game-ending home run to give the

Eagles a 2-1 victory. Seaman pitched one of her best games of the year, with a three-hit, one-run performance, before yielding in the sixth to Crawford, who earned the win.

Wet field conditions caused a 30-minute delay to the start of the third game of the series and the Eagles never really got going. UTM captured a 5-0 victory, behind a one-hit pitching performance.

MSU stayed at home to entertain Eastern Kentucky in a mid-week doubleheader. The Eagles scored in the bottom of the first and held on for a 1-0 victory. Crawford threw another gem, allowing just two hits and a walk in the shutout.

After scoring twice in the bottom of the first, the Eagles held the lead for most of game two until the top of the seventh when the Colonels scored three times. Robinson had a great day at the plate, finishing 3-for-3 with an RBI.

In its first OVC road trip of the season, the Eagles tangled with Tennessee Tech. The Golden Eagles were too much for MSU, as TTU claimed an 8-0 five-inning, game-one victory, marking the first time Morehead State lost by the eight-run rule during the season.

The results were not any better in the second game, as Tech won 9-2. The Eagles had their best outing in the final contest. MSU got seven hits, but hurt themselves with four errors and fell, 3-1.

Morehead State was blown out in its next two contests, as Kentucky won big in Lexington, Ky., 8-0 and 15-0. The lone bright spot for the Blue and Gold was the play of senior left fielder **Heather Hughes**, who finished 3-for-4 on the day, including 2-for-2 in the second game.

In its final homestand of the year, MSU hosted Eastern Illinois. Crawford, Nord and senior third baseman **Amy Wilkinson** were the heroes for Coach Jennifer VanSickle's club. Wilkinson, who finished 2-for-2, doubled with one out in the third. Freshman catcher **Vanessa Higgins** came in to pinch run and was scored on a double by Nord. Crawford made the lone run stand up, as she threw a one-hit shutout.

The Eagles made it two in a row, winning 4-1 in the second game, behind a 3-for-3, two RBI performance from Robinson and a 2-for-3, one-run outing from Alison Queen. Seaman earned her first win in the circle and Crawford nailed down her second save of the season.

The final game of the series was Senior Day for MSU, which recognized its seven fourth-year team members, including Nola Queen, right fielder **Dana Fohl**, Surratt, Hughes, catcher **Heather Hoyer**, Wilkinson and Robinson. Surratt started in her final game and threw one pitch, before yielding to Crawford. The Eagles could not carry the momentum through, however, as they lost, 2-1.

After their April 17 single game at Eastern Kentucky became the OVC's first and only conference contest of the year to be rained out, the Eagles headed over to Marshall for the make-up twinbill with the Thundering Herd. Robinson's two-run, sixth-inning double was the difference as MSU claimed a 2-1 game-one victory. Fohl's 2-for-3 performance at the plate was not enough for the visitors in game two, as Marshall walked away with the 6-1 win.

With its final six games of the year all in conference and all on the road, Morehead State needed to stay ahead of either Austin Peay or Eastern Illinois to earn a berth to the OVC Tournament.

A much-improved Tennessee State squad was next on the Eagles' docket. In game one, Fohl went 2-for-3 with four RBI and two doubles. The second two-bagger gave her 38 and tied the MSU career record. Morehead State scored three times in the fourth and twice in the six and held on for a crucial 5-4 victory. The Eagles had their chances to take both ends of the doubleheader, but a seventh-inning error gave the game to TSU, 3-2. It marked the Lady Tigers' first win over MSU in 29 meetings.

The Eagles scored the first two runs the next day, but gave up three apiece in the fourth and fifth, and finished with a 6-3 loss. Those results meant that MSU was in a must-win situation in its final series against league co-leader, Southeast Missouri State.

Morehead State held early leads in all three games, but could not make any of them hold up for the one crucial victory the Eagles needed. Fohl, Brock, Alison Queen, Robinson and Nord either had two hits or two RBI in at least one game, but it was not enough as the Eagles fell, 4-2, 9-3 and 6-4.

The results meant that MSU was left out of the OVC Tournament for the first time in school history, and gave the Eagles both their fewest overall and fewest OVC victories in a single season.

**Pam Crawford's versatility in the circle and at the plate earned her First-Team All-OVC honors.**

# Morehead State University

Meeting the educational needs of East Kentucky while striving to constantly improve the quality of its public service, economic development and applied research programs are the primary objectives of Morehead State University.

Historically, the University traces its lineage to the Morehead Normal School, which opened its doors in 1887. The private school closed in the spring of 1922 when the Kentucky General Assembly established Morehead State Normal School. The state institution accepted its first students in the fall of 1923 and graduated its first class in 1927. Name changes occurred in 1926 when "and Teachers College" was added, again in 1930 when it was shortened to Morehead State Teachers College, again in 1948 when "Teachers" was dropped and, finally, to university status in 1966. Twelve men, starting with Frank C. Button, have served as president. Dr. Ronald G. Eaglin assumed office as the 12th president on July 1, 1992.

Academically, the University offers 91 undergraduate degree programs, including 10 associate level degrees and 12 pre-professional programs in four colleges—Business, Education, Humanities, and Science and Technology—and 19 academic departments. There are 36 graduate degree programs plus 17 graduate level non-degree programs designed especially for professional educators. A post-master's level degree, education specialist with four specialty areas, and a joint doctoral program with the University of Kentucky also are offered on the MSU campus.

Classes also are conducted in Ashland, Jackson, Maysville, Pikeville, Prestonsburg, West Liberty, Whitesburg and other locations. Extended campus centers located in Ashland, Prestonsburg and West Liberty are staffed with full-time personnel. Additionally, the University offers a number of distance learning courses throughout the region via the Internet and interactive compressed video. Sixty-three percent of MSU's 320 full-time faculty members hold doctoral degrees.

Physically, the University is located in the foothills of the Daniel Boone National Forest in Rowan County. The nearly 500-acre main campus within the city limits of Morehead includes more than 50 major structures with a total replacement value of more than \$144 million. Beyond the city, the University's real estate holdings include the 320-acre Derrickson Agricultural complex and a nine-hole public golf course. The instructional plant includes 120 classrooms and 112 laboratories. Housing facilities include space for approximately 3,400 single students and 138 student families.

Fiscally, the University currently operates on an annual budget of \$87.4 million with about \$41.4 million provided by the state and \$24 million coming from tuition and fees and other sources. Additionally, grants and contracts from external sources for research, service and academic/student support projects generate more than \$10 million each year. Private donations to the University, mainly through the MSU Foundation Inc., have reached more than \$2 million.

Statistically, the University has awarded more than 45,000 degrees, has an average fall enrollment of more than 8,300 and approximately 1,000 full-time employees. The student body represents 107 Kentucky counties, 40 states and 35 foreign countries. The University attracts more than 55,000

visitors each year and its economic impact, directly and indirectly, on the Morehead area is estimated at more than \$70 million yearly.

Administratively, the University is governed by an 11-member Board of Regents with eight citizens appointed by the governor and three seats held by elected faculty, staff and student representatives. Management of the institution is vested primarily in five divisions—Academic Affairs, Administration and Fiscal Services, Development, Student Life and University Relations—each headed by a vice president.

Athletically, the University sponsors 18 intercollegiate sports for men and women in accordance with the regulations of the Ohio Valley Conference and Division I of the National Collegiate Athletic Association. Those sports include football, basketball, baseball, cross country, indoor and outdoor track and field, rifle, golf and tennis for men, and volleyball, soccer, basketball, softball, cross country, indoor and outdoor track and field, rifle and tennis for women. MSU also supports an intramural program involving more than 20 team and individual sports.

## Affirmative Action Statement 6/28/99

Morehead State University is committed to providing equal educational opportunities to all persons regardless of race, color, national origin, age, religion, sex, or disability in its educational programs, services, activities, employment policies, and administration of students to any program of study. In this regard the University conforms to all the laws, statutes, and regulations concerning equal employment opportunities and affirmative action. This includes: Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Executive Orders 11246 and 11375, Equal Pay Act of 1963, Vietnam Era Veterans Readjustment Assistant Act of 1974, Age Discrimination Act in Employment Act of 1967, Sections 503 and 504 of the Rehabilitation Act of 1973, (as amended in 1992), Americans with Disabilities Act of 1990 and Kentucky Revised Statutes 207.130 to 207.240. Any inquiries should be addressed to Francene Botts-Butler, Affirmative Action Officer/ADA Coordinator, Morehead State University, 308 Allie Young, Morehead, KY 40351. Telephone (606) 783-2085.

**The University is located in picturesque Daniel Boone National Forest.**

## Dr. Ronald G. Eaglin, President

Dr. Ronald G. Eaglin, an outspoken proponent of student success strategies in college administration, has served since July 1, 1992, as the 12<sup>th</sup> president of Morehead State University in Morehead, Ky. Responsible for serving Kentucky's 22 easternmost counties, MSU was founded in 1887 and currently enrolls 8,300 students on its main campus and four extended campus centers.

A native of St. Louis, Mo., President Eaglin came to Kentucky from the chancellorship of Coastal South Carolina University in Conway, S.C. Previously, he was vice chancellor for academic affairs at the University of South Carolina at Spartanburg. Earlier, he was the southeast regional director of the American College Testing Program (ACT).

A former chair of Kentucky's Conference of University Presidents, he holds a bachelor's degree in biology and mathematics from Southeast Missouri State University (where he was a member of the varsity tennis team), a master's degree in student personnel administration from Southern Illinois University and a doctoral degree in educational psychology from the University of Utah.

Dr. Eaglin's expertise in student retention has been highlighted in a research report he wrote for the American Association of Colleges and Universities (AACU) on the role of campus chief executives in helping students be successful in college. He initiated a study of the teacher education program at MSU which led to a year-long series titled "Teaching the Teachers for the 21<sup>st</sup> Century: a Morehead State University Symposium." He was instrumental in this process as he challenged MSU to review and improve its teacher education program.

In addition, he was involved in the formation of a "P-16+ Regional Council" bringing together representatives from the public and private colleges in the area, school superintendents, local government leaders, members of state agencies and CEO's of regional businesses and industry, which is based at MSU.

The University's CEO has made presentations across the country on student retention and the role of the President in accomplishing this goal. Involved with numerous publications on this topic, he edited the book "Five Habits of Successful Students" published by the International Organization for Student Success.

Dr. Eaglin was a member of the AACU Board of Directors and had the distinction of representing two different institutions on the NCAA Presidents Commission. He currently serves on the NCAA Board of Directors for Division I and as president of the Ohio Valley Conference. His consulting work in student personnel and academic matters has taken him both overseas and to numerous campuses across the country.

President Eaglin is active in economic development matters in East Kentucky, serving presently by appointment of Gov. Paul Patton on the Kentucky Appalachian Commission and Education Pays Task Force. He is a member of the Board of Directors of the Morehead-Rowan County Chamber of Commerce.

Dr. Eaglin and his wife, Bonnie, have four adult children and five grandchildren.

## Mike Mincey, Vice President for Student Life/Athletic Director

Mike Mincey, Morehead State's Vice President for Student Life and a former Eagle athlete, assumed responsibility for supervision of the University's athletics program in June, 1993.

An MSU administrative staff member since 1975, Mincey was appointed interim vice president in 1986 and assumed the title of vice president and Dean of Students in 1990 following a national search. Since joining the staff, Mincey has held a variety of posts including assistant to the vice president for academic affairs, grants coordinator and coordinator for academic support services.

In addition to the athletics program, Mincey also provides supervisory support to the areas of the Dean of Students, student activities, student development, financial aid and scholarships, student housing, admissions, public safety and conference services.

Mincey earned four varsity letters (1965-68) as a member of the Eagle football squad, and was a part of MSU's last Ohio Valley Conference football championship in 1967. During his prep days, he was an all-stater at Ware County (Ga.) High School.

A three-time graduate of the University, he has earned a bachelor's degree and two master's degrees, including one in higher education, during his affiliation with the school. The native of Waycross, Ga., has done advanced studies at Indiana University and is a member of the National Association of Student Personnel Administrators.

Prior to joining the MSU staff, he taught and coached in public schools in Flemingsburg, Ky., and Tifton, Ga.

His wife, Kathy, is a two-time graduate of MSU and currently serves the University as an associate professor of English. They have three children, Sarah, Jacob and Samuel.

## Brian Hutchinson, Associate Athletic Director

Brian Hutchinson, a three-year member of the Morehead State administrative staff, was promoted to Associate Athletic Director in March of 2001. Among his duties will include serving as Director of Development and Marketing, managing day-to-day operations of the department, including overseeing the sports information and athletic training offices, and managing the department's annual budget.

Hutchinson's promotion is his second since becoming affiliated with the athletic department in 1998. He previously served as Development Director for two years, before assuming the post of Director of Development and Marketing last summer. Prior to that, Hutchinson served 18 months as a regional development officer for the University and six months as a staff assistant in the University's Office of Development and Alumni Relations.

This past year, he served an internship with the Ohio Valley Conference office, assisting with the running of the league's basketball and baseball championships.

A 1996 cum laude graduate of Morehead State University, Hutchinson earned a Bachelor of Business Administration, while specializing in real estate. During his senior year, the Louisa, Ky., native served as the Student Government Association President and was a student representative to the MSU Board of Regents. He also was Vice-President and Treasurer of his fraternity, Sigma Alpha Epsilon, as an undergraduate, and has continued to serve as the organization's faculty/staff advisor since he graduated.

A distinguished student, Hutchinson has been named as a *Who's Who Among American High School Students* and has received Outstanding Young American recognition. He is a graduate of Lawrence County High School.

Hutchinson and his wife, Elizabeth, have a son, Benjamin, born in March of 2000, and they reside in Morehead.

## Jason Lerner, Assistant Athletic Director for Marketing & Promotions

Jason Lerner joined the MSU athletic staff in October of 2001 assuming the position of Assistant Athletic Director for Marketing & Promotions. Lerner came from Georgia State, where he was the Director of Marketing for a year and eight months. Prior to that, he was a marketing assistant at the Chick-Fil-A Peach Bowl for 11 months. He began his career working as a member of the hospitality staff for the Atlanta Braves.

Among his responsibilities at Georgia State included serving as the tournament director for the Trans America Athletic Conference (TAAC) men's basketball championships in 2000-01. He also worked as the marketing director for the NCAA women's tennis championships that spring.

A 1998 graduate of Furman University with a bachelor's degree in accounting, Lerner spent four years on the Paladins' baseball team. He earned academic all-conference honors each year, but injuries cut short his playing career. He also was named to the Dean's List at Furman in each semester.

After Furman, he attended the University of Georgia and earned a master's degree in sports administration in 2000.

A native of Tallahassee, Fla., he was an all-region baseball star at Lincoln High School.

Lerner is a member of the Southern Collegiate Marketing Alliance and the National Association of Collegiate Marketing Administrators (NACMA). He is engaged to Chrissy Gavin and resides in Morehead.

## Leslie Faber, Senior Woman Administrator

Leslie Faber was named the athletic department's Senior Woman Administrator on July 1, 2000. In that role, Faber is actively involved providing input and oversight in the planning and development of budgets and long-range goals for the athletic department. Additionally, she will be involved in selected day-to-day operational functions, represent the athletics department at conference and national meetings, and serve as a key athletic representative on the committee charged with writing the 2002-2007 athletics long-range plan.

Faber has been a member of the Eagle athletic staff since February 1998 as the head coach of the women's soccer program, which began in the 1998-99 year. Her team's best season came in 2000, when she led MSU to a school-record mark of 9-10-1, more than doubling the previous team's win total. In her four-year career at MSU, Faber owns a 17-57-1 record.

Prior to coming to MSU, Faber spent two years as the assistant coach at Northwestern State in Natchitoches, La., in the Demons' first two seasons of existence. There, the program also experienced growing pains and notched a 2-35-3 overall mark as a member of the Southland Conference. However, those two wins, both in the 1997 campaign, came en route to capturing the league tournament trophy. While at NSU, she was also a member of Louisiana's Olympic Development Program (ODP) staff for both years.

She is a 1996 graduate of East Texas State (now Texas A&M-Commerce), where she earned her bachelor's degree in kinesiology after playing on the Lions' soccer team for two seasons. Faber went on to earn a master's degree in sports administration from Northwestern State in 1998.

As a player, Faber spent two seasons at East Texas State, joining the team in the first year of its existence. During her tenure in a Lions' jersey, she registered the first goal in the program's history and posted the first shutout as a goalkeeper. A two-year starter, Faber helped guide the team to a 15-12-5 combined record in the 1995 and 1996 seasons, serving as a captain in her final campaign. She also spent a year as a student assistant coach with the team after she ended her playing career.

A native of Dallas, Texas, Faber earned all-state honors as a defensive midfielder in high school.

## Dr. Mike Brown, Faculty Athletics Representative

Dr. Mike Brown has been affiliated with the University off and on since 1959, when he enrolled as a freshman. He was a member of the football team and from 1959-62 played quarterback, wide receiver and defensive back for the Eagles, earning honors as an All-Ohio Valley Conference Second Team offensive end as well as the league's Most Outstanding Defensive Back. In addition, he was the league's leading punter in 1960 and 1962, and was co-captain of the 1962 squad which was the OVC co-champion.

After graduating in 1963 with a bachelor's degree in health and physical education as the Outstanding Physical Education Student award recipient, Brown moved on to the University of Tennessee, where he was a graduate assistant for both the football program and the Physical Education Department. He earned his master's in health and physical education in 1964 from UT.

From 1964-65, Brown began a high school teaching career in both Georgia and Ohio, where he also served as a football and track and field coach. He spent one year at each school as a health and physical education instructor.

In 1966, he returned to MSU and was an assistant football coach on the only team to win the OVC title outright. He spent three years at Morehead State, before moving on to earn his doctorate at Southern Mississippi in exercise physiology, with a minor in research and statistics in 1972. He also did post-doctoral work at Wisconsin-LaCrosse in cardiac rehab in 1978.

He has served as an MSU faculty member since 1972 and has been the athletic department's faculty representative since 1986. As the faculty rep, Brown has served on a number of University and OVC committees.

Brown is married to MSU Athletic Hall of Fame member Laradean Brown, the only former Eagle volleyball coach to be so honored. They reside in Morehead. They have an adult son, Greg, a businessman, who is married to Jane Brown, the Director of the Wellness Center.

A native of Logan, Ohio, Brown is a member of the Logan High School Athletic Hall of Fame.

# Letter To Boosters

Dear Friends:

Morehead State University is committed to upholding the highest integrity within all procedures and practices of the athletic department. We are pleased to publish this note as a reference to understanding often confusing NCAA regulations.

The NCAA defines "representatives of athletic interests" as alumni, friends and boosters of the University. All member institutions are held accountable for their representatives' actions. One violation could jeopardize the eligibility of any or all Eagle Athletic programs.

As a general rule, anyone who has financially supported Eagle Athletics, been a member of any booster organization, or who has supported Eagle Athletics is considered a "representative" of Eagle Athletics. If anyone has questions regarding these types of relationships, please contact Brian Hutchinson, Associate Athletics Director at (606) 783-2593.

Prospective student-athletes can be defined as a student who has started classes in the ninth grade or any younger student-athlete who has received a benefit from the institution. These individuals may only be recruited by MSU coaches who have passed the *NCAA Recruiting Rules Examination*. While "representatives" of Eagle Athletics may speak to any of these individuals via telephone or in person, a recruiting effort must not be made. Also, no student-athlete or prospective student-athlete may receive any extra benefit outside of the support provided by the institution. For any questions regarding this description, please contact Jim Wells, Compliance and Educational Services Director at (606) 783-5136.

These are certainly not all the regulations any "representative" of Eagle Athletics must remember. However, they provide a good outline of the types of things that could endanger the eligibility of any MSU Athletics program. Again, feel free to contact us if you have any questions. Thanks again for your support of Morehead State Athletics.

Sincerely,

Jim Wells  
Compliance and Educational Services Director

Brian Hutchinson  
Associate Athletic Director

## Intercollegiate Athletics Mission Statement

*Morehead State University believes that Intercollegiate Athletics is an integral part of the University and that a broad-based intercollegiate athletics program encourages student participation and involvement in the total life of the University. In addition, intercollegiate athletic programs play a positive role by supporting the academic and public service missions of the University.*

- Each athletics program shall be conducted in a manner that protects the physical, mental, emotional, and social welfare of each student-athlete.
- Each student-athlete, through academic counseling and individual assistance, shall be encouraged toward completion of degree requirements and graduation.
- Each athletics program shall adhere to the principles of fair play and amateur competition as defined by the National Collegiate Athletic Association and the Ohio Valley Conference.
- Each athletics program shall be administered at the highest level that the University's resources will allow so that each student-athlete will have the opportunity to compete to the fullest extent of his or her ability.
- The athletics programs at Morehead State University shall make every effort to educate and serve the student-athletes of the University's primary service area and their respective educational institutions.
- The athletics program will accommodate student's interests and abilities in a manner that is nondiscriminatory to both sexes and reasonable with the University's resources.
- The athletics program shall adhere to the University's Affirmative Action Plan promoting equal opportunity for all employees and students, as well as applicants for employment and student participation.

# Academic Success

The Eagles have a history of being successful away from the field, especially in their academic endeavors. Four times in the last seven years, Morehead State has been recognized by the National Fastpitch Coaches Association as owning one of the nation's top grade-point averages. Last spring, the Eagles posted the 14th-best GPA among all Division I teams. The NFCA (formerly NSCA) also has recognized 18 Morehead State athletes 25 times, including an incredible 11 last year, as Scholar-Athletes, a prestigious national honor. In addition, the Eagles have had three GTE Academic All-Americans named a total of four times, while eight athletes have been named to either the first or second Academic All-District IV team a total of 14 times, including three-time selection **Susan Pape** and **Dana Fohl** (second-team) last spring.

The OVC's highest all-around in-season honor is the **Scholar-Athlete Award**, recognizing excellence in athletics, academics and leadership. In 2000-01, **Dana Fohl** became the first MSU softball player and the 21st Eagle overall to earn the honor in the award's 20-year history.

## OVC ACADEMIC MEDAL OF HONOR

For the past 13 years, the Ohio Valley Conference has recognized student-athletes for their academic achievements with its Academic Medal of Honor. The award is presented to the student-athlete who has the highest GPA (above 3.00) in each sport sponsored by the OVC. In case of ties, each student-athlete is given a Medal of Honor. **Shannon O'Toole** in 1995, **Dana Fohl** in 2000, **Karen Gillum** in 2000, current team member **Amy Fox** in 1999 and **Shannon Nord** last year (2001) are the only MSU softball players to have been chosen for the award in its history.

Each year, the College Sports Information Directors of America (CoSIDA) selects an Academic All-American softball team. The following student-athletes have earned the distinction and the year they earned it:

**Jeani Gollihue (1986)**

**Shannon O'Toole (1995)**

**Cathi Watson (1991, 1992)**

## OVC COMMISSIONER'S HONOR ROLL

The OVC Commissioner's Honor Roll has been in existence for 11 years and recognizes student-athletes who have a GPA of 3.25 or higher with not less than 24 hours of credit during the previous two semesters. Thirty two MSU student-athletes have been named to the honor roll 63 times, peaking with a school-record 11 last year.

# Athletic Facilities

Morehead State has at its disposal modern and well-equipped facilities for the use of its athletic teams. Included among those are Jayne Stadium, the Athletic-Academic Center (AAC), the George A. Sadler Tennis Courts, Allen Field, Wetherby Gym and the University Softball Field. Among the facilities used for purposes other than competition is the Phil Simms Weight Training Facility, a building dedicated by the former Morehead State and New York Giants' football star, which allows MSU athletes every opportunity to enhance their strength and conditioning. In addition, there is a spacious athletic training facility in Jayne Stadium, complete with all of the resources needed to enhance the training of MSU athletes, while allowing them to rehabilitate and recover from injuries quickly and safely.

## COURTNEY ORMEROD

**Softball  
Athletic  
Trainer**

Graduate assistant Courtney Ormerod will serve as the team athletic trainer this year. The Lee County, Ga., native joined the MSU staff in the fall of 2001. She spent the fall working with the volleyball team. She is pursuing her master's in athletic training.

A 2000 graduate of Georgia Southwestern State University, Ormerod was involved with athletic training for three and a half years, working primarily with the baseball, volleyball and women's basketball teams. She also spent three years as a cheerleader and one year coaching that squad. She graduated with a bachelor's degree in physical education and exercise science.

Prior to coming to MSU, Ormerod was an assistant athletic trainer at Pikeville College from January to June of 2001.

Through her experiences in cheerleading, Ormerod has become involved with the Universal Cheerleading Association and the Universal Dance Association as a trainer the past three summers. With the spirit groups, she was an athletic trainer at the National Jump Rope Championships in 2001.

In the summer of 2000, she interned at the Houston Clinic in Albany, Ga.

A Lee County High School graduate, she was a cheerleader for two years and named to *Who's Who Among American High School Students* as a senior.

Assisting Ormerod will be sophomore Jessica Mills.

## Athletic Training

The main athletic training room, a spacious and modern facility with four whirlpools, stairsteppers and exercise bicycles, is located in Jayne Stadium. Two other remote facilities are in the Academic-Athletic Center and Wetherby Gym. The MSU staff includes head athletic trainer Richard Fletcher, assistant Jamey Carver, plus two graduate assistants and several student assistants. Fletcher, Carver and the graduate assistants are either certified or eligible for certification. Also members of the MSU medical team are a group of highly-qualified doctors, including orthopedic

surgeons--Dr. Tom Fossett, Dr. Pat Serey, Dr. Jim Rollins and Dr. Anup Chattha; a dentist--Dr. Jim Bendixen; and an optometrist--Dr. Thomas McHugh. In addition, the St. Claire Medical Center, located in Morehead, utilizes a full-spectrum of medical services. In total, each team has access to several specialists in all areas of potential need, providing MSU athletes with the most modern medical attention available.

## Weight Room

MSU athletes have two primary weight room facilities for their use. The largest is the Phil Simms Weight Training Facility, which is used primarily by the football squad, but accessible for use by all MSU teams. The other facility is located in the AAC and is the primary domain of the basketball teams. It offers a wide range of modern equipment, including a stairmaster, free weights and Nautilus-style machines, which can help the Lady Eagles and Eagles achieve the highest level of strength training.

## University Softball Field

The Eagles have called the University Softball Field their home for the last 13 years, which includes the entire span of the MSU fast-pitch era. Tucked between two hills on the Northeast side of campus, the University Softball Field has bleachers to accommodate approximately 500 people. Its dimensions are 205 feet to left field, 195 feet to center field and 205 feet to right field. The facility received a face lift in the offseason gaining a netted backfield fence with a cement base, permanent bleachers, a permanent sound system, the leveling of the outfield and the installation of a new batting cage. Previous additions and enhancements included improvements to the dugouts, an electronic scoreboard and outfield fence wind screens. The University Softball Field served as the host of the OVC Tournament in the 1997 season.

# Media Information/Sports Information Staff

## SPORTS INFORMATION STAFF

**Randy Stacy**  
Sports Information  
Director

**Randy Stacy** enters his 15th year as sports information director after serving 16 months in the MSU Development Office.

Stacy, a 1977 graduate of Morehead State University, is the former assistant sports information director at the University of Kentucky. While at UK, Stacy was responsible for all media and public relations for the men's basketball program, as well as press row operations.

The 45-year-old Stacy served as men's sports information director at MSU for a brief time in 1977, before assuming a full-time position at Tennessee Tech.

The native of Carr Creek, Ky., and graduate of Carr Creek High School (now Knott County Central), also served as a graduate assistant in the MSU Office of Public Information and was a news and sports reporter at WMKY radio.

Stacy is a member of College Sports Information Directors of America (CoSIDA) and serves as the national chairperson of the membership services committee. He also belongs to the Morehead Optimist Club and Elliottville Baptist Church. He and his wife, Jeanetta, have two sons, Brad and Jared. They reside in Morehead.

**Brenda Kissinger**  
Sports Information  
Secretary Specialist

**Brenda Kissinger** is in her 15th year as secretary in the sports information office and assists with all facets of the department's operations. She previously spent five years as a secretary to former MSU athletic director G.E. "Sonny" Moran. Kissinger has four children, Melissa, Bill, J.R. and Rick, and four grandchildren. She and her two youngest sons, J.R. and Rick, reside in Olive Hill, Ky.

## EAGLE WEBSITE

Morehead State launched a brand new athletics-only website in December 2001, [www.msueagles.com](http://www.msueagles.com). On the new site, information on the athletic department and all of its varsity teams, including the 12-time national championship cheerleading squad, can be found.

## COVERING EAGLE SOFTBALL

This media guide includes biographies, records and statistics to assist print and broadcast media representatives in their coverage of this year's Morehead State softball team. To receive the latest information, media can access the websites of Morehead State ([www.msueagles.com](http://www.msueagles.com)) or the Ohio Valley Conference ([www.ovcsports.com](http://www.ovcsports.com)). If additional information is needed, please feel free to contact Assistant Sports Information Director Brad Laux at (606) 783-2500 or [b.laux@moreheadstate.edu](mailto:b.laux@moreheadstate.edu).

### Press Credentials/Interviews

There is no charge for softball games, so no press credentials are necessary. However, the sports information department requests that if you wish to interview any Eagle athletes or coaches that you arrange them through Assistant SID Brad Laux.

### Services

The sports information department will provide rosters, statistics, results and notes for each home game. Complete statistical data will be available after each contest. There are no press facilities or phone lines at the University Softball Field, however, there is an electrical outlet accessible to the media, if necessary. In the press room in the Academic-Athletic Center, a typewriter, copier, fax machine, personal computers, two telephones and a variety of other supplies are available.
